

# You Be the Wedding Planner

## Budget Items

On this page is a list of potential expenses for your wedding. You do not have to include them all. Mandatory items are marked with a double asterisk \*\*. You should mark the items that you will include in your budget with a star. This list will be included in your final notebook.

| Done                        | Item                            | Done | Item                                       |
|-----------------------------|---------------------------------|------|--|
|                             | Bridal Gown **                  |      | Invitations**                              |
|                             | Bridal Veil/Headpiece/Jewelry   |      | RSVP Cards**                               |
|                             | Bridal Shoes**                  |      | Postage (determined by number of guests)** |
|                             | Groom's Clothes/Tux**           |      | MAP/Direction Cards**                      |
|                             | Groom's Shoes                   |      | Wedding Program**                          |
